Notice of the meeting of the Board of Canvassers was posted on the Marquette County website at www.co.marquette.wi.us and posted in three public places and forwarded to the Wisconsin Elections Commission for posting on their website. This satisfied open meetings law compliance and candidate notification.

Municipalities within Marquette County have Edge DRE machines and there was no usage of said machines during the recount process. Therefore no need existed for any electronic voting equipment to be tested during the recount. All recounts were conducted by hand.

Sandie Becker was present and introduced as an official observer for the Stein campaign. David Hamel was present and introduced as an official observer for the Clinton campaign.

The recount process was started with all tabulators working on the Town of Buffalo so as to familiarize themselves with the routine to be followed.

Ms. Becker objected to the use of non-official hand written documents to verify the poll list books. Some municipalities were using these as an auxiliary document. The team reconciling the poll list books decided not to make use of these documents given they are not an official State of Wisconsin recognized election record.

The work on the Town of Buffalo was completed and results announced during this session. The Board of Canvassers recessed at 12:15 p.m.

The Board of Canvassers reconvened at 1:07 p.m. on December 1, 2016. Lyn Jerde, Portage Daily Register, was present for a portion of this session. The work on the Towns of Crystal Lake and Douglas was completed and results announced during this session.

The Board of Canvassers recessed at 3:58 p.m.

December 5, 2016 - 12:30 p.m.

Robin Schirmer was present and introduced as an official observer for the Stein campaign. Carol Hutchison was present and introduced as an official observer for the Stein campaign. Keri Solis, Marquette County Tribune, was present for a portion of this session.

An observer concern was raised regarding lack of Town Clerk initials on some of the absentee envelopes in the upper right corner indicating proof of photo ID was noted. It was decided by the Board of Canvassers not to disenfranchise voters due to this, but rather to note it for training purposes.

The recount work was completed and announced for the Towns of Oxford, Shields and Springfield during this session.

The Board of Canvassers recessed at 3:20 p.m.

The recount work was completed and announced for the City of Montello during this session.

The Board of Canvassers announced the final county results and certified same at 3:13 p.m. given there was no finding of concerns that would prevent such certification. Signed by: Debra Kemnitz, Roger Banicki and Steven Janke.

Sandie Becker submitted objections to the following municipalities being included in the official count due to chain of custody concerns with bar codes not recorded on the Chief Inspector statements: Towns of Buffalo, Mecan, Oxford, Shields, Village of Westfield and City of Montello.

Poll book irregularities - voter signatures missing, transposition of voter number between the two poll list books - City of Montello, Towns of Buffalo, Neshkoro, Oxford.

Serial numbers missing from logs - Towns of Harris and Westfield and City of Montello.

Absentee ballot issues: Town of Shields, Village of Westfield, City of Montello.

Robin Schirmer submitted an objection that during the count of the DRE ballots for the Town of Westfield and absentee ballots for the Towns of Neshkoro and Westfield that the two sets of tabulators counting the same ballots were at the same table and sharing information rather than taking completely independent counts.

The objections were noted and made part of the record.

Moved by Steven Janke and seconded by Roger Banicki to adjourn. Motion carried and the Board of Canvassers was declared adjourned at 3:25 p.m. on December 7, 2016.
